Please find below and/or attached an Office communication concerning this application or

Commissioner for Patents

Response to Amendment

proceeding.

The reply filed on May 1, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The claims are still defective because the objections have not been corrected according to the Office action mailed on March 22, 2005. Note that the examiner has not entered the claims filed on June 22, 2005 since the amendment to the claims changes the scope of the claims. Amendments to the claims changing the scope of the claims cannot be made after close of prosecution. The originally filed claims need to be fixed according to the claim objections suggested in the Office action.

See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ernesto Garcia whose telephone number is 571-272-7083. The examiner can normally be reached from 9:30-5:30. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Daniel P. Stodola can be reached at 571-272-7087.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
